Won't Carry Freight

Many resignations in the rural
mail carrier service in Southeast-
ern Iowa are reported on account
of the increase of the parcel post
business.

Persons connected with the
service predict wholesale resigna-
tions if the fifty-pound maximum
for packages, recommended by
the Postmaster General, is adopt-
ed. The department is said to be
finding it difficult to get men to
relieve those who have resigned.

We keep on hand always the best gro-
ceries that money can buy and sell them
as cheap as the cheapest. Phone 72 and

Not Electrocutd

It was thought that Thomas
Baskett had been accidentally
electrocuted at the power house
of the Winchester electric light
company, but Dr. I. H. Brown
says that there is no evidence of
burns. The coroner's jury found
that he was electrocuted.

Made a Quick Sale

THE Investment Department of a Bal-
timore stock exchange house had a
caller who wished to buy fifty shares
of a certain investment stock. While the
customer waited, the manager called up the
firm's Philadelphia agent on the Bell Long
Distance Telephone and secured the stock,
with the promise of delivery next day.

Quick trades are often made by the
Bell Telephone service.
